

DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

Activity Book
Interdisciplinary Project Work
(Activity-Based Learning)

Academic Year: 2025-26

Semester: 2

Student Name:

Branch:

USN:

Guide Name:

Team Members:

Table of Contents

Week	Module Title	Activity Title	Page No.	Remarks
1–3	Orientation, Team Formation and Literature Survey	Communication & Team Activities		
4 -6	Problem Statement, Multiple Solution IDEAS Selection of Best IDEA	Review of Interviews/Interaction Problem Tree, Ideation		
7–9	Prototyping: Stage - 1	Theory of Prototyping Building, Design, Structure, Coding		
9–12	Prototyping: Stage - 2	Development of physical /working Prototyping, Testing and Analysis		
13–14	Review of Users, Refining and Pre-final Review	Review of Limitations/Challenges		
15–16	Final Demo & Social Pitch	Innovation Pitch		

1. Write about Interdisciplinary Project Work

Week 1–3: Orientation & Team Formation (additional sheets may be attached, if required)

- **Problem Identification**

- **Literature review**

- **Activity Title:**

- **Objectives:**

- **Tasks Done:**

- **Faculty Signature with remarks**

Week 4–6: Multiple Solution IDEAS Selection of Best IDEA

- **Multiple Solution IDEAS:**

- **Faculty Feedback & Signature:**

Week 7–9: Prototyping: Stage - 1

- **IDEA selected for Prototype development:**

- **Justification for Selection:**

Initial Design Sketch: Brief about Initial Design-

- **Faculty Feedback & Signature:**

Week10–12: Prototyping: Stage - 2

Techniques/Platforms Used: Materials Used: Programming Language/
IDE / Code Editor/ Frameworks/Library/ Database/Online tools /cloud/
Deployment platforms/Hardware used (if any)

- **Prototype Description:**

- **Photos of Prototype Model:** (Attach Separately)

- **Faculty Feedback & Signature:**

Week 13–14: Review of Users, Refining and Pre-final Review

- **User Testing Report:**

- **Feedback Received** (List out the important/crucial points):

- **Review:**

- **Revisions Made:**

- **Faculty Feedback & Signature:**

Week 15–16: Final Demo & Pitch (for CIE finalization)

- **Project/Idea Title:**
- **Team Members:**
- **Final Report of the Project:** Attach Separately
- **Pitch Summary: Model/Poster/PPT:** Attach Separately
- **Jury Comments:**
- **Marks (out of 50):**
- **Faculty Signature:**

Final Reflection & Self-Assessment (Student shall answer the following questions prior to final viva-voce or presentation)

- What did I learn from this course?
- Skills I gained:
- Challenges I faced and overcame:
- What would I do differently next time?
- **Faculty Signature:**
